Product and services portfolio:

Chambervelt, Rooselain & Cie act as independent insurance brokers and offer their clients a
qualified overview of the market, taking products of currently around 60 insurance
companies into account. As investment brokers, CR&Cie Ltd. render investment consulting
and brokerage services for selected products. A list of relevant investment companies and
fund initiators can be found at www.crcie.com.

Remuneration and benefits:

Remuneration in connection with investment consultation or brokering is received
exclusively through benefits from third parties, which CR&Cie are allowed to retain.
